Tucked away down the idyllic Kynance Mews, this charming three-bedroom house has recently had a complete refurbishment throughout.

Bespoke fixtures and fittings have been used throughout, including Missoni interiors, and new plumbing, underfloor heating. Every detail has been carefully considered to create a modern and stylish mews, from the hardwood floors and period fireplace to the book-matched bathrooms. What is exceptionally unique about this mews in particular are the high ceilings and double aspect, flooding the house with natural light.

LOCATION

Situated in the tranquil, leafy neighbourhood of South Kensington, the cobbled mews is arguably one of the most attractive and desired mews streets in London. It also offers fantastic proximity to both High Street Kensington and Gloucester Road stations, whilst being a mere stone's throw from Hyde Park and a wealth of interesting shops, bars, cafes, and restaurants.
