The Property

We're delighted to present this beautifully refurbished home, where craftsmanship and style come together in every detail. Behind a pink front door, oak herringbone floors lead through the ground floor, where soft lighting, gas fireplace framed in polished stone and bespoke joinery create a warm, elegant atmosphere. The handmade kitchen features Miele and Bosch appliances and granite worktops.

Upstairs, the principal suite continues the bespoke theme with silk-inlaid wardrobes and custom headboard, The ensuite has a Victorian claw-foot bath, marble vanity and fish-scale tiling.

The guest suite doubles as a study, with a built-in desk, concealed laundry, and motion-lit storage. Throughout, brass hardware, custom lighting, and thoughtful design combine to create a home that feels refined, comfortable, and full of character.
